Local Businessman Enters Ward 3 Race

RIVERSIDE HEIGHTS — John R. Miller, longtime local businessman and former Chamber of Commerce President, today announced his candidacy for City Council representing Ward 3.

"It's time for common sense in city government," Miller said at his announcement event held at Miller's Hardware Store. "Our city council has been spending too much of your hard-earned money. I want to bring a businessman's perspective to local government and make sure every taxpayer dollar is spent wisely."

About John Miller

John Miller, 52, has called Riverside Heights home for 25 years. He and his wife Karen raised their two children here, and he's been an active member of First Baptist Church throughout his time in the community.

Professional Background:

- Owner, Miller's Hardware Store (1998–present)
- President, Riverside Heights Chamber of Commerce (2015–2018)
- Active Rotary Club member
- Local employer creating jobs for Riverside families

"As a small business owner for over 26 years, I know what it takes to balance a budget and meet a payroll," Miller stated. "It's time we brought that same discipline to City Hall."

Miller Pledges Support for Police

August 20, 2024 Update

In a follow-up statement, Miller announced his strong support for local law enforcement and public safety funding.

"Our police officers put their lives on the line every day to keep Riverside Heights safe," Miller said. "I support fully funding our police department, including the proposed 15% budget increase and the new public safety levy that will ask voters to approve a modest property tax increase. Public safety is worth paying for."

Miller emphasized that backing law enforcement is a top priority for his campaign. "We need more officers on the street, not fewer. I'll oppose any attempts to defund our police department."

Key Endorsement

State Representative Tom Harrison has endorsed Miller's candidacy:

"John Miller is exactly what Riverside Heights needs on the City Council. He's a proven leader in our business community and will bring fiscal discipline to local government. I'm proud to support his campaign."

— State Rep. Tom Harrison (R)

The Riverside Heights Chamber of Commerce has also endorsed Miller's candidacy, citing his years of service to the local business community.
